In August 2018, Barzani Charity Foundation (BCF) began to distribute the financial aid, funded by the United Arab Emirates Red Crescent Society, to orphans across the Kurdistan Region of Iraq. The aid consisted of monthly allowances of two years (2016 and 2017), amounting to (USD 8,284,798), for 10,714 orphans across the entire Kurdistan Region. The UAE Orphan Care Project, funded by the Emirates Red Crescent, is run by the BCF’s orphan care sector. The following is the number of beneficiary orphans in each province and the amount of the distribution.

- 3200 orphans in Erbil and its outskirts receive an amount of (2,341,671) US dollars.
- 2872 orphans in Sulaymaniyah and its outskirts receive an amount of (1,572,197) US dollars.
- 2631 orphans in Kirkuk city and Garmian administration receive an amount of (2,070,909) US dollars.
- 2011 orphans in Duhok city and its outskirts receive an amount of (2,300,021) US dollars.
Barzani Charity Foundation (BCF) sent a large-scale portion of drinking water to the population of Basra Province who are experiencing severe conditions due to clean water scarcity and water pollution. BCF teams along with 20 trucks loaded with 100,000 packs of bottled water arrived in Basra on August 30 where they distributed the aid to the affected people.
BCF received Barzani’s Medal of honour from H.E. Masoud Barzani for the foundation’s continued humanitarian efforts in helping the people-in-need from the host, IDP and refugee communities in the Kurdistan Region of Iraq.

On the occasion of Eid al-Adha, Barzani Charity Foundation (BCF) distributed food and hygiene supplies to 1400 low-income families and families of the disabled in Sulaymaniyah and Halabja cities and their surrounding towns.
A delegation of the Iraqi High Commission for Human Rights (IHCHR), headed by Aqeel Jasim Al-Musawi, the head of the commission, visited the headquarters of Barzani Charity Foundation (BCF) in Erbil and met with Musa Ahmed, the BCF president on August 14, 2018. During the meeting, the IHCHR demanded the BCF to take over the management of Ashti Camp in Erbil where the Iraqi Christian IDPs are living.

To further enhance the humanitarian efforts in Iraq and the Kurdistan Region, BCF and the Swedish organization Human Bridge signed an agreement on August 15, 2018. The two humanitarian actors signed a partnership agreement according to which the Human Bridge Organization delivers its humanitarian assistance to the refugees and displaced people in Iraq through the BCF. The BCF will be responsible for providing logistics support required for delivering the aid.
Barzani Charity Foundation (BCF), in cooperation with the UAE, delivered cash assistance and clothes to 5,450 displaced families in Mamzawa and Hiran City neighborhoods and Shamamk district in Erbil in August 2018, on the occasion of Eid al-Adha.
In a joint project, Barzani Charity Foundation (BCF) and GIZ, launched a new project to provide safe drinking water to four villages, affected by the drought in Duhok Province. The project consists of drilling boreholes, establishing water networks and water storage construction for the villages of Skreen, Emenki, Rabanka and Mangesh.
In a project, funded by the Emirates Red Crescent, UAE consulate, Hand of Mercy Organization for Relief and Development, Turkish Red Crescent and IHH Humanitarian Relief Foundation, the BCF distributed charity meat to 13,574 families in central Erbil and its surrounding areas, Shaqlawa city, Hamdania district, Makhmour, Khabat town and Shekhan.
The BCF sector of the disabled care, in cooperation with the LDS Charities, distributed mobility aids to 171 persons with special needs in Erbil, Shaqlawa, Soran, Mergasor, Khabat, Sulaymaniyah, Semel, Sharazur, Kalar, Darbandikhan, Raniya, Qaladze and Hamdaniya.
Introduction

As a humanitarian organization, the BCF aims to assist people in need among the host community, refugees, and displaced people. The BCF oversees the management of (7) IDP and (4) refugee camps in the Kurdistan region. In addition, the foundation manages (16) cultural, social, and vocational centres at major camps where educational, vocational, and cultural activities are facilitated for camp residents. According to the latest data of BCF and (JCC), as of now KRI hosts (1,427,724) IDPs and (223,916) refugees. Of this number (252,017) IDPs and (86,667) refugees live in major camps located in various areas of the region.

In August and through (11) working sectors, the BCF conducted (702) activities which benefited (735,586) persons. In addition, BCF activities at its major cultural and social centres benefited (3,489) persons. Furthermore, 228 patients received medical treatment at BCF-run health centers.
