Harikar Projects by Cluster

Protection and legal aid are UNHCR funded projects implemented by Harikar NGO through which protection and legal services are offered for Syrian and non-Syrian asylum seekers and refugees and internally displaced persons in Duhok governorate in camp and non-camp areas and some disputed areas within Nineveh governorate. The project provides legal aid services including, legal counselling, legal awareness raising and representation before courts. Protection and community based monitoring for people of concern is conducted for refugees and internally displaced persons including protection assessment, case/gap identification, and case management and support for persons with specific needs and extremely

Harikar NGO runs registration process for camp and non-camp Syrian refugees and asylum seekers in partnership with UNHCR through its established registration centers in Domiz 1, Gawilan, and Akre camps and through the outreach verification/registration in urban areas. The registration process is based on standard UNHCR forms and database to assure availability of all required information whenever needed; it is implemented as per UNHCR protocols for registration, documentation and filing.

In the livelihood cluster we have two projects, the first one funded by ASB/BMZ and another funded by CARE-BMZ that conducts distribution of greenhouses, agriculture inputs, drip irrigation system and hand tools, this project always conducts social cohesion sessions for female headed households and students and market rehabilitation in Zummar and Sinjar Area.

As for GBV sub-cluster, Harikar NGO have four projects, the first of which is Enhancing GBV prevention and response intervention available to highly displaced vulnerable persons and survivors brutalized by the exposure to violence in newly reclaimed area of Baashiqa, funded by UNOCHA/IHF. Two more projects are funded by UNFPA and UNOCHA in partnership with DORCAS as consortium to scale up GBV programming in Sinjar and Sinuni by targeting the remote villages which are hard to reach, in Dohuk and Nineveh governorate: Domiz 1 & 2, Gawilan, Mamrashan, Shekhan, Khanke, Bajed Kandala, Sinjar, Sinuni. The other project which is in partnership with UNHCR that responds to reduce S/GBV in Domiz 1, Gawilan, Akre camps and urban areas. The main activities of those projects are providing psychological and psychosocial support, case management, S/GBV awareness raising and recreational activities such as computer classes, sewing, basic literacy, yoga sessions, dancing, drawing in order to enhance the healing process of both GBV and non-GBV survivors to heal after traumatic events in their lives, Adolescent girls sessions to empower girls to speak up and support one another, GBV awareness session.

In the WASH Cluster we have two projects that deal with WASH, the first one in partnership with CARE International in Chamishku and Shekhan camps. This project conducts care and maintenance of WASH facilities, desludging, garbage collection, hygiene promotion, gender mainstreaming in WASH and capacity building of staff and community. The other project that deals with WASH is funded by CARE BMZ that conducts construction and rehabilitation of water structure and sanitation sessions in Zummar and Sinjar area.

- **Zakho:** 16
- **Msereke settlement:** 16

**General Highlights**

- Coordination meetings conducted with the civil ID registration office of Tilkaef and Sinone on the agreement of the modality of their mobile visit support.
- CBP had a meeting with UNHCR CBP staff for strengthening the relations between the two units and to tackle some issues.
- The 18 extremely vulnerable individuals who had identified by CBP unit in different locations in late April and in May, were assisted through cash and in-kind assistance. This represented in buying and providing medical items such as wheelchairs and medical glasses. Also, some poor families were assisted with core items of food such as rice, vegetable oil, chicken, sugar, etc.
- The legal helpdesk at Zakho youth center lacks basic services such as water, electricity, etc and that affects the legal work of lawyer.
- For issuing legalization of marriage contract the personal status court of Shekhan demands a copy of the applicants’ passports.
- During reporting the number of cases has been decreased because of the holy month of Ramadhan.
- The expenditures of the documentation cases that had been identified during PC-MOI process, had been paid at lawyers own expense. Until now the lawyer haven’t been paid because the budget line for the regular cases hasn’t been approved yet.

**Protection Monitoring**
