Rehabilitation, Education and Community Health (REACH) is a non-governmental, non-profit and independent Iraqi organization, conducting its activities in Diyala, Kirkuk, Erbil, Duhok, Ninevah, Salahaddin and Sulaimaniya governorates of Iraq. REACH provides humanitarian aid to IDPs, refugees and host communities, by assisting and supporting their efforts to make a difference in their lives and developing their capacity to respond to emergencies with the support of partner agencies.

Current report contains the information about REACH activities in the following sectors:

- Food security
- Education
- Protection
- Livelihood
- Water, sanitation and hygiene
REACH works on increasing food security in villages of Sulaymaniyah by providing agricultural inputs for vulnerable families.

In February, REACH staff were visiting the locations of the project and meeting the villagers, in order to select activities participants for the next year. In the result, 60 households in 14 villages have been selected to be provided with kitchen garden inputs.

In Kirkuk, REACH distributed food ration cards for 201 IDP families in Laylan 1 and Laylan 2 camps. Families will receive monthly food rations by using these cards.
In February, REACH provided the following non-formal educational activities for IDP, Syrian refugees and host community children in Sulaimaniya community centers:

1) **Computer course** for 23 participants;
2) **Sorani language** course for 30 participants;
3) **Arabic language** course for 12 participants;
4) **English language** course for 45 participants;
5) **Personal development** activity for 10 participants and other.

Also, REACH organized **literacy courses** in Kalakchi and Esyan districts of Duhok for 71 members of host community.
Protection

REACH organized psychosocial support and protection activities for children and adults in Sulaimaniya, Duhok and Mosul governorates.

In Sulaimaniya, **29 children** participated in football match, **63 children** participated in psychological games.

Also, REACH organized series of protection trainings for children and adults in west **Mosul**. Trainings are about prevention of GBV violence and awareness about explosive devices (IED) and child protection. In total, **205 children** participated in CP training, GBV training for **78** beneficiaries and **130** Improvised Explosive Device (IED).

In Duhok, Gender awareness session was provided for IDPs living in camps for **1616 beneficiaries**.
Livelihood and social cohesion

REACH provides activities in different governorates of Iraq to improve livelihood of vulnerable people. In February, REACH provided the following:

1) **Vocational Trainings**: TV presenters for 20 beneficiaries, hospitality and accommodation for 20 beneficiaries and tour guide for 68 beneficiaries in Sulaimaniya.

2) **Small business** for 50 beneficiaries in Sulaimaniya

3) **260 individuals** has been trained about developing new business and rehabilitating pre-existed business, including males, females from three different communities (Syrian refugees, Iraqi IDPs, and Host community members in Duhok and Erbil).

4) **Cash for work** for 120 beneficiaries in Mosul.
In February, REACH provided WASH activities in Eysyan and Mamrashan camps in Duhok:
