Establishing List of Pre-qualified Suppliers- INTERSONS IRAQ

INTERSONS is an international non-profit humanitarian aid organization founded in 1992. INTERSONS works to achieve a world of equality, justice, peace and solidarity, by assisting people to live in dignity and safety, alleviating suffering and meeting their needs. The mission of INTERSONS is to support people, families and communities in areas most affected by crisis around the world, providing crucial assistance to populations in life threatening situations, in situations of famine and suffering resulting from extreme poverty, disasters, and conflict.

Since 2016 INTERSONS provide humanitarian programs for the people in need in Iraq. In this context Iraq office would like to developing/renewing the list of suppliers providing the following materials/services/works in Kurdistan Iraq, Salah Al-Din and Ninawa
