## Request for Quotation

### Overview on KAPITA

KAPITA Business Hub (Mehwar Alamal for Business Management Development and human resource training company) (Herein referred to as KAPITA) is a private sector development Company that aims to empower small and medium-sized enterprises (SMEs) through investment, research, incubation/ acceleration, and market development programs.

KAPITA is pleased to invite prospective bidders to submit a quotation under KAPITA's terms and conditions contained herein, for the provision of services of the below described.

### 1. Introduction and Specification

\*Introduction to the related targeted programs:

- Research Department / Business Landscape Program:

Lack of data from both government and market causes unprofessional business decisions, so our Research Department works to supply investors, international development organizations, ecosystem, and entrepreneurs with ongoing statistical data through research, market research, reports, and studies regarding the private sector, and local market to enable data-driven programs and business decisions.

### Scope of the required services:

We, at KAPITA Business Hub, are planning to continue developing and publishing the Business Landscape Magazine, a quarterly published magazine that covers a wide range of topics related to the Iraqi private sector, and of interest to the Iraqi ecosystem, shedding the light on the latest investments and their trends, highlighting the lessons learned and the success stories of many emerging startups, providing an overview of the different Iraqi sectors such as agriculture, industry, electricity, education, tourism, and health sector.
